TS 11-V

Technical drawing of a rectangular plate with dimensions and assembly features. The plate has a total width of 125 and a total height of 123. The top and bottom edges are marked with dashed lines and scissors, indicating they are to be cut. The left edge has a vertical centerline. The right edge has a vertical centerline. The top edge has a horizontal centerline. The bottom edge has a horizontal centerline. The plate has three circular holes: one on the left edge, one on the top edge, and one on the right edge. The hole on the right edge is labeled with a diameter of $\varnothing 4,5$. The distance from the left edge to the center of the top hole is 50. The distance from the center of the top hole to the center of the right hole is 50. The distance from the center of the right hole to the right edge is 25. The distance from the top edge to the center of the right hole is 31.5. The distance from the bottom edge to the center of the right hole is 61.5. The distance from the left edge to the center of the right hole is 125. The distance from the top edge to the bottom edge is 123. The drawing is labeled with the number 1012007 and the date 12/03/2011.
